

## LONGDON NEWS LETTER

### LONGDON HAPPENING

The day of the Happening started of a glorious day and just got hotter and hotter! By 3o'clock it was so hot that everybody was hiding round the edge of the field trying to keep in the shade. The ladies from LWF produced some sumptuous cakes and cream scones to go with our tea and the bar was selling Pimms as fast as we could make it! The quiz proved to be a challenge with the Mainbridge family having the most correct answers. Colin V did a stirring job on the BBQ under very hot conditions. Chris's fire juggling was impressive and Jack's graffiti will go up in the bar in the hall. Thank you to AJ Harker who supplied the marquee and the plant lady from the Upton road for making it look beautiful, and Dan from keep fit who came to organise some games but we decided it was much too hot. Thank you to everybody that helped to make it such a good day, I hope everybody that came had a good time. We finished off with rounders this year that is until we lost all the balls so if anybody could find our balls there is a £1 reward for each one!
