SATURDAY CLUB 2nd February. Come and see us from 6 o'clock. It was good to meet the new people from Moat Bank at December's Saturday Club. This time last year there was deep snow on the ground but we were still there.

COCKTAIL PARTY 6th April 8pm

Do you remember the last one? A lot of people don't and they were there!! The last one was a practice run, this time!!!! We thought it would be fun to take our lead from the good people of Longdon who originally opened the hall in 1939, the height of elegance and cocktail parties! Take a look at the photo and go from there. (Love that moustache) Tickets will be £10 and include supper. Come as glam or dress down as you please but do come and have a good time!!

KEEP FIT Saturday morning 9 till 10. Who'd have thought getting fit could be so much fun, check us out on Face book!
