

LONGDON VILLAGE HALL NEWS LETTER

THE HAPPENING 6TH JULY 3pm onwards

If you haven't been before come this year! This is our annual village get together on the Village Green. We have the LWF ladies providing **cream teas** from about 3pm and then a **BBQ** with Thatcher's, Hillworth Farm meats from about 5pm. We'll be having a few stalls and some games for grown-ups and children to have a go at, plus our usual rounders match and now traditional Dad's versus Kids football match in the evening. The **Bar** will be open from 3pm serving PIMM'S along with all the usual drinks. Ray is bringing his guitar again so if you would like to bring anything that you play and join in you are welcome. Last year it poured with rain and the hall was packed, but everybody had a good time so come along whatever the weather, I think we may even have a fire juggler this year!

TABLE TOP SALE/COFFEE MORNING 7TH SEPTEMBER 10:30

Our last coffee morning was a great success. Tables will be £5 and we will be providing refreshments. Contact a member of the committee if you would like a table. We will also be organising some music or entertainment for this event which needs to be confirmed, look out for the posters nearer the time.

SATURDAY CLUB This month we have **THE HAPPENING**, next month everybody is on holiday and the following month we have the coffee morning and will need to lie down after that. The next Saturday club will be on October 5th at 6pm.
