Halloween/zombie Party is now a Zombie party and is now on the 16th November!!! As so many people were away for the $\frac{1}{2}$ term holidays we moved the party on two weeks. I hope you can all now come. The ticket price includes supper and a first free drink. It's fancy dress if you want to but having a good time is compulsory.

VILLAGE HALL AGM

Our village hall AGM is on 13th November at 8pm. Please, Please do come along and give us your support and have your say about how the village hall is run, any ideas for coming events, or in fact anything! We really do need some new faces. We now have quite a few younger children; maybe you would like something for them at the weekend? Or a youth club for the teenagers? We have the facilities and we want you to use them.

Keep fit 9am Saturday mornings It was good to see some new faces at keep fit over the last couple of weeks, glad you enjoyed it! Keep fit is every Saturday morning and the first time you come is always free.
