

Sunday 17th August will see a cycling event come to Longdon. It is a 3 hour mountain bike orienteering competition run by the MidlandsMBO club. The base will be the Village Hall and we expect approx 35 – 45 riders to take part. It is not a race and there is no mass start, so there will be minimal disruption in the village. Most of the checkpoints will be off-road on the bridleways, and will be unnoticeable to the public. Local riders are more than welcome to take part and will have the benefit of local knowledge ! For more info and to enter please see our website www.midlandsmbo.co.uk . If you have any concerns about the event please speak to the organiser Mike Manning on 01531 821291
