

## VILLAGE HALL NEWS LETTER

**COCKTAIL PARTY.** From your comments everybody had a really good time. Everybody looked totally glamorous. Lots of people got in the swing of 1939 and came in period costume, the star being Dug - lovely legs!! We had beef, lamb, sausage and veggie Hotpots followed by trifle, pink blancmange, a bread and butter pudding and pie. Vast numbers of cocktails were consumed and we made about £300. Well done and thank you to everybody, particularly the VH committee and Carole Weaver for all their hard work. See the photos on Facebook, follow the links from our web page.

**WORKING PARTY.** A huge **THANK YOU** to everybody who came on Sunday and helped us give the village hall a makeover. The whole of the main hall and both entrance halls got painted, all the lights cleaned and the cupboards sorted out! And the garden and car park tidied up. **AMAZING!!** The Village hall committee provided a great lunch.

We would like to Thank- Jackson family, Watkins family, Kirsty and her boys, Clare+Pete, The Austins, Cathy+Bob and Colin + the Village Hall committee.

Meetings are the 2<sup>nd</sup> Wednesday of every month and take about one hour. Without some new members we are going to struggle to put on events such as the Cocktail party and the Happening.

PLEASE COME ALONG.

**SATURDAY CLUB 4<sup>TH</sup> MAY 6PM** onwards. Come and have a game of pool or table tennis and a chat. Children with their parents welcome.
