

VILLAGE HALL NEWS LETTER

We have a few dates for your diaries this month, advance warning of forthcoming events at Longdon Village Hall. This information will all be on our new web page too.

KEEP FIT SATURDAY MORNING 9-10 am. Get up, come and do it and be back for breakfast before you've even thought about it, then feel good all day!! Another new face this week, good to see you. Dan our lovely Personal Trainer is there for everybody no matter what age, shape or fitness.

SATURDAY CLUB. 2nd March 6pm onwards. It was lovely to see so many people there at February's club night. The village seems so quiet these days; it's good to be able to meet neighbours that you wouldn't otherwise see. Come along either for a game of table tennis or pool, or just a friendly place to meet. Everyone is welcome although children do need to bring their parents.

COCKTAIL PARTY 6th April 8pm This should be a really good night! We decided to have a theme this time, taken from the photo of the opening of the village hall in 1939. This can be seen in last month's mag, on Face book, our new web page or in the hall itself. Think Blandings or Jeeves and Wooster, very elegant or slightly mad! Or just come as you are but do come and enjoy!

WORKING PARTY. 21st April. We have decided the hall needs a face lift. If you feel you would like to come and give us a hand we will provide lunch, tea and coffee. What we would like you to do is bring your tools for gardening, painting and general maintenance. This should be good fun if we all work together and will help the village hall.

LONGDON VILLAGE HALL AGM 8TH MAY 8.00

LONGDON HAPPENING 6TH JULY 3PM!
